## THE CHINESE MAIL

## 報日字華 (Wah Tsu Yat Po).

This paper is now issued every day.

The subscription is fixed at Five Dollars per annum, delivered in Hongkong, or Eleven Dollars Forty Cents including postage to China, postpaid.

It is the first Chinese Newspaper ever issued under purely native direction. The chief support of the paper is of course derived from the native community, amongst whom also are to be found the garrulous and eccentric necessary to place it on a business and legal footing.

The projectors, basing their estimate upon the most reliable information from the various Ports in China and Japan, and other places reported in circulation, have given a weekly budget of the news of Hongkong and the Far East, circulating, as it does among the Chinese, in the hands at Home and also among residents at the Far East, and in the interior, it offers special advantages to advertisers.

The Overland China Mail will be regularly posted from the China Mail Office to subscribers, or their addresses being forwarded to the Office.
